

# The GRAD “GAB”

November 13, 2015

**Don't forget to check “The Grad Zone” on our school website for more information!**

**[www.langleysecondary.com](http://www.langleysecondary.com)**

---

## **NOVEMBER DATES:**

**November 16:** Part 2 of GT 12 Due!

**November 17:** UBC Visit – for real this time!

**Grad Transitions 12 Update** – GT 12 Presentation Package can be picked up when you pick up marked GT 12 package on November 30.

1. GT 12 Package #2 is due Monday Nov. 16. Students should submit the finished package in the basket in the office.
2. During the next 2 weeks all GT 12 Packages will be marked (1 & 2).
3. Students will be able to pick up their marked package and interview form (if all Requirements are Met {RM}) at the office on Monday Nov. 30.
4. Presentations with staff can commence on Tuesday Dec. 1.
5. Once a staff member has signed off on a presentation the student only needs to return the signed interview form to the office.

**Princess Project** If you are in a position where you are not able to afford a grad dress or suit for grad, please see your counsellor or Ms. Tomlinson to be referred to this awesome organization!

## **Special Message from the Dry Grad Parent Committee**

It has come to the attention of the Dry Grad Committee that there has been some heated discussion among the grads about this years Dry Grad Event.

We agree that the grads should have some input into the Dry Grad Evening, but that input must be presented through their parents, since the Dry Grad Event is an event organized by the parents' of the grads. **ALL** parents are invited to participate in the planning of the dry grad event.

We have publicized all our meetings and also invited parents to participate online by joining our private Facebook Group to assist in planning. If your grad is concerned

about what is being planned and wishes to have input, then we ask you to please attend our parent group (on their behalf) to assist in the planning of the evening.

We are all trying to organize a special event for our grads.

All **HELP** and **ASSISTANCE** is encouraged and welcomed.

<https://www.facebook.com/groups/LSSDryGrad2016/>

**Our next meeting is scheduled for December 2nd at 7pm at the school.**

### [UBC Engineering Open House](#)

Engineers Save the World – we would like to invite you and your students to come and find out how. Join us, Saturday, November 28, 2015 from 10am to 4pm.

Did you know engineers do more than build bridges and design fast cars? **Engineers help prevent disease, reduce poverty and create solutions to protect people and our planet.**

There'll be cool demonstrations, fascinating lab tours, and informative presentations. Talk to academic advisors, professors and current students about all your options. Learn how engineering can make a world of difference. Bring your friends and family to explore – we suggest you plan to attend the whole day, as there are activities happening throughout the day.

In addition to all the exciting options, we'd also like to invite Grade 10-12 girls to attend an informative lunch:

#### **Eng\*Cite Lunch for Grade 10-12 Girls at the Open House**

Grade 10-12 girls interested in science and math are invited to attend the eng•cite Lunch for an opportunity to talk to and hear presentations by women who are currently studying engineering or young alumnae who are working in the industry. We would like to provide an open forum to enable discussions with and questions to other female students/engineers who were facing a similar decision more recently, and why they chose their path. Interested students must RSVP for the lunch by November 23<sup>rd</sup>.

For more information and to RSVP, please visit our website:

[www.engineering.ubc.ca/openhouse](http://www.engineering.ubc.ca/openhouse). If you RSVP, we will send you an update once more details have been posted.
