Kwantlen Nursing Application Update

KPU's Bachelor of Science in Nursing (BSN) and Bachelor of Psychiatric Nursing (BPN) programs have undergone major curriculum revision. These curricular revisions are currently awaiting Ministry review and approval. Once approved, KPU will no longer offer direct admission from high school to the BSN/BPN program. Students who complete health foundations in their first year prior to admission into either BSN or BPN program. Students admitted into either program can then complete their degree in 3 more years. In the meantime, please advise your students to apply for their second choice program. Students can switch over to Health Foundations (available through a program change form). We will notify you as soon as the curricular revisions are approved.
