Are you interested in a career as a graphic designer, art director, illustrator, concept artist, or interactive designer?

The Bachelor of Design in Visual Communication is a 4-year degree with exciting career outcomes. You can specialize in branding, illustration, or interactive design beginning in third year, and work outside school in a two-month industry practicum in fourth year. Our culture is collaborative, our instructors are dedicated, and our students grow into creative professionals.

* Events have specific start times – don't miss the 1:00 p.m. Keynote!
