Grade 8/9 Academic Skill Builder Classes

These classes (previously called Academic Remedial classes) are intended for students who have already taken the course and received a mark of at least 35%, but have not met the learning outcomes or have only done so at a minimal level. These classes are not intended for students who have no previous experience in the course at that grade level, or for students wishing to "preview" a course before they have already taken it. Because it is a shorter version of the course, students will be able to earn the course credit and a **maximum** mark of 61% (C).

Student Attendance & Participation

Students are expected to attend all sessions of a Summer Session class they are registered for.

Absence of more than 2 days may result in withdrawal from courses. Students should not be registered for Summer Session if extended absence for any reason is anticipated.

Registration - Current Langley School District Students - May 10 to June 25

Summer Session 2021 registration in the Langley School District opens May 10, 2021 and closes on June 25, 2021 for students currently enrolled in School District 35 (Langley). Registrations in available classes are processed in the order the registration occurs, on a "first-come, first-served basis".

Registration - For students who live in Langley (City or Township) but who are not currently enrolled in School District 35 (Langley) - May 10 to June 25

For Summer Session 2021, registrations will be accepted for students whose families can verify their primary residence is in the City or Township of Langley, even if they are not currently enrolled in School District 35. Students can register online. Then, after registration, families will be contacted by e-mail with information about how to process their request and also to confirm their residency. Please note that providing an address of a family member or friend who resides in Langley does not qualify as verifying a student's primary place of residence.

For Summer Session 2021, School District 35 will NOT be accepting registrations for students who are not currently registered in the Langley School District or whose primary residence is not in Langley.
