## PRINCIPAL'S MESSAGE

Please note the Trades Show Expo under the Careers section has a deadline of Oct 17<sup>th</sup>. This is a great opportunity for students in grade 10 – 12. Please see below to get the application in to Ms. Stuiwe. Also, there will be a Dry Grad Committee meeting on Oct 16<sup>th</sup> at 6:00 pm in the Learning Commons if you are interested in getting involved. The Dry Grad is not a school sanctioned event.

The first informal reporting occurs the week of Oct 16- 19<sup>th</sup>. This provides how the student is doing in their courses in terms of their strengths and areas of growth needed but does not provide formal marks with letter grades or percentages. We invite you to make an appointment with the teachers offered on Oct 25<sup>th</sup> (2 – 4:30pm) or Oct 26<sup>th</sup> (2 – 7:00 pm). If these times don't work, a phone call or email is always available to have a discussion.

The Ministry of Education has a new reporting order including new Report Card templates and student reflections. K – 12 Report card templates are now uniform across the province. Proficiency language continues in place at the grade 9 level with letter grades and percentages for grades 10 – 12.

A new course code appearing on report cards this year are student reflections. Students will be writing reflections on a given competency throughout the term and are the responsibility of the student. The evidence of learning is captured in an app called Spaces EDU. Parents will be notified closer to the reporting periods when this is live and are encouraged to have conversations about student learning at home.

Diane Smillie, Principal

## TERRY FOX RUN

The AVID 12 class would like to thank you for your support of the Terry Fox Run this year. We are currently at \$1005 of our \$1500 goal. We greatly appreciate your support in having the students come in REP to collect, and in participating in the run (walk) on Wednesday, October 11<sup>th</sup>. Thank you to those who took the time to watch the video and talk/walk with your students about the run, to PHE for allowing us to use the big gym as our starting space and for crosswalk duty, to Greg for the extra sweeper lap, to Tomas and the photography students for taking great photos, Meagan for the extra organizational support, Elle for playing move the balloon arch with me, and to the AVID 9-12 teachers and classes for lining the root and providing all the pep. Those of you who know me know that this is a cause that I hold close..

If you have any feedback (positive or negative) around the event, please let me know as we would always like to make things better.

They are considering running a bake or donut sale next week to reach their final goal. I will update if this is the case. If you would still like to donate, we will come around to classes one more time on Friday and the online options will also remain available. School Cash Online or [Terry Fox Foundation Site](#).

With gratitude,

*Alyssa Pagnanini*

This next week is a busy week for the Seniors as we have two senior nights!

Highlight of the week was the Sr. Boys Soccer team taking down RE Mountain in a close game 2-1! Paul Heim and Jaime Sanchez finished at the net to give us our two goals! Omar Sahl kept the net clear on our side with some outstanding saves! This upcoming week, we have five home games! Our two headliners this week, our Sr. Girls Volleyball team, have Sr. Night on Tuesday night against GW Graham. The Football team gears up to face Argyle next Friday night at MAP in their Sr./ Alumni Night game! Come out to support our grads class of 2024!

## DRY GRAD 2024

### Dry Grad Meeting October 16<sup>th</sup> at 6:00 pm in the Learning Commons

Hello Grade 12 parents, Grad will be here before we know it! Last year an amazing group of volunteers formed a Dry Grad committee to plan a wonderful evening for the grads. I am hoping we can do the same this year. Last year, the committee was formed early in the year and regular meetings were held to plan the venue, decorations, prizes and fundraising. We will need a dedicated group to get together and plan this night and we should get started ASAP. Please reach out to [lssdrygrad2024@gmail.com](mailto:lssdrygrad2024@gmail.com) if you are able to join the committee and help plan dry grad for the kids this year. Thank you.

## POST SECONDARY INSTITUTES WERE IN THE BUILDING!

Post Secondary Day was a big success with our grade 11 & 12's attending the Career Fair and taking in two sessions of their choice to listen to what schools had to offer. Thank you to Rachel Kiers and Naomi Stuiwe for their help in organizing the event.

## FRASER HEALTH NEWS

### October – Child health screenings: vision, hearing and dental

#### Make dental, hearing and vision checks part of a healthy routine

Health screenings help find issues early which can make treatment easier and more effective. It's important for your child to have regular eye exams and routine dental checkups. It is also important to recognize any hearing loss early as this is essential for speech and language development. Read on to learn when and how to access services for your child.

#### Dental

Tooth decay is the most common, but preventable, childhood chronic disease. It is important to establish good oral hygiene at a young age and have children's teeth checked by a dentist regularly. To find a local dentist near you who is accepting new patients, visit the BC Dental Association's [Find a Dentist database](#). If you are a member of a low-income family and you do not have extended health coverage, there are several programs that can help you access [affordable dentistry for your children](#). You can also contact the dental program at your [local public health unit](#) and ask about resources available in your community.

#### Vision

[BC Doctors of Optometry](#) recommends children receive their first eye exam when they are six to nine months old with a follow up exam at least once between the ages of two and five and then yearly once they enter school. You can find an optometrist accepting new patients near you at the College of Optometrists of British Columbia's [Find an Optometrist database](#). In B.C., basic eye exams, one per year, are free up to the age of 18. Some optometrists may charge a small user fee of about \$35 per visit so be sure to ask about any fees before you make an appointment.

#### Hearing

Good hearing is essential for speech and language development and plays an important part in a child's social and emotional growth. It is important to recognize hearing loss early and seek out testing and treatment if needed. Fraser Health's Public Health community audiologists provide hearing services for children from birth to 19 years of age. If you have a concern about your child's hearing, referrals can be made by a parent or caregiver, a health care provider or education professional to your [local public health audiology \(hearing\) clinic](#).

### DISTRICT NEWS

#### BC Demographic Survey Helping Identify Systemic Racism

The District is committed to diversity, equity, and inclusion and creating compassionate learning communities. We support our community partners in helping promote anti-racism and implementing strategies to help eradicate racism. The province has launched the BC Demographic Survey to help identify systemic racism in government services. The survey is available in 15 languages and takes 15 minutes. We encourage members of our community to complete the survey which closes on October 15<sup>th</sup>. Fill out the survey [here](#). For more information, read more [here](#).

#### Fair Notice Resource for Students/Families

The Langley School District is committed to a safe and supportive environment for all. Our schools take all threatening comments and behaviours seriously. Our schools follow procedures when responding to threat-making behaviour to help keep students, staff, and the community safe. The following resource [here](#) outlines what information students and families need to know in relation to how the District responds to threat-making behaviour in our schools. Everyone has a role in helping keep our students safe. If you have any questions or concerns, please contact your school administrator.

### PARENTING ADOLESCENTS

I'm reaching out with a request for your support in sharing an email with your network. I am currently organizing an E-Connect parent group, and I believe it could greatly benefit your clientele.

The primary goal of this program is to offer valuable insights, skill development, and much-needed support to parents, all with the aim of strengthening their relationships with their children.

**Program Overview:** The E-Connect program is a structured 10-session manualized program delivered in a group format. It is specifically tailored to parents and caregivers who are facing the unique challenges of

**PEACE Group Programming is launching next Tuesday, Oct 3 – 2023 from 5-7pm.** Our program offers a family dinner followed by age appropriate group curriculum for kids ages 3-18. We also offer a safe space for mothers to connect and learn from other services providers in the Langley Community.

Currently we are struggling with registrations.

We know that there is a great need for the PEACE program in our community. I am writing today to ask if you may have a family to refer at this time?

The **PEACE Program** is sponsored by the BC Transition House Society and we are happy to have partnered with them to train facilitators to offer this much needed program at our Family Life Centre. We have been running this program for 2 years now and have been able to host groups in the Fall and Spring.

**The PEACE program supports children and youth to:**

- Understand what violence against women is, the impact that violence in the home has on children and youth, that they are not alone, and that the violence is not their fault.
- Identify support networks and develop a safety plan.
- Identify their feelings and express them in healthy ways.
- Recognize their strengths and increase their self-confidence.
